

SUMMER / FALL INTERNSHIP

The goal of TripleWide Media is to provide creative, quality and effective content for triple wide video walls, double wide videos walls, wide format edge blended screens, environmental projection, video stages and many other unique multi-screen applications.

That being said, we are looking for a talented intern to help us fuel the multiscreen movement! You'll have an opportunity to learn from business leaders on starting a business, running e-commerce websites, social media marketing, SEO strategy and industry changes, and marketing trends, in addition to learning all about the color orange. We love orange!

General duties will be content upload and management and simple graphic design (knowledge of Adobe Photoshop is a big plus!) You will work closely with our Brand Manager and owner to ensure that content is properly added to the website within a timely manner of acquisition from producers.

Additionally, if you're big into social media, we can use your help there to keep our Facebook, Twitter, Youtube, and Instagram accounts rocking and rolling. We put relationships first. We want to get to know you, and have you join a great team! Show us what you've got to offer and we'll teach you the rest.

INTERNSHIP DETAILS:

- This internship is Part-Time (minimum of 15 hours a week).
- Intern will be paid a \$500/month stipend.
- School Credit Required unless otherwise approved by Intern Coordinator.
- Schedule to be determined once applicant is accepted.

For more information or to apply, please send resume and cover letter to tim@triplewidemedia.com
